**Newsletter 9 2016**

**Sorry about the large number of Newsletters this year, but we really need you to read this one!!!**

**The Spring Festival is now a little over two weeks away and if you are intending to come, please secure your tickets as soon as possible.**

**We still have season tickets available and varying numbers of single tickets for each of the three concerts.**

**We have just launched a bit of a media blitz and expect the remaining tickets will be sold more quickly.**

**Note 1. We can never guarantee tickets at the door, but definitely we cannot offer door sales for Concert 3 as we have to finalise numbers with the winery for the 3 course lunch a few days before the event.**

**Note 2. Cafe 2 has just had a change of management so we have withdrawn their remaining tickets, so now you can get tickets by letter and cheque to PO Box 194, Darlington, or in person at Darlington Post office or Bendigo Bank, Mundaring, or by credit card at Bendigo Bank. By next season, we will have re-negotiated arrangements for our vendors.**

**N.B. Full details of the Spring Festival Programmes are attached and also on the Darlington Chamber Music website [www.darlingtonconcerts.com.au](http://www.darlingtonconcerts.com.au)**
